

IT STARTS WITH YOU!

For many women, giving the gift of a child to another family can be a deeply rewarding experience. At The Surrogacy Experience (TSE), we are committed to providing our gestational carriers with the information and resources needed to understand if becoming a Surrogate Mother is the right choice for them and their family. The comprehensive guidance and support services we offer through the surrogacy process, from decision to beyond delivery, are based on personal experience and on the understanding that each journey is different for everyone.

The need for gestational carriers has increased, and we have future parents waiting for your help. As a "thank you" we are offering a signing bonus of **\$1,500** to qualified carrier applicants in addition to your personalized compensation package.

Signing Bonus Terms and Conditions

- Signing Bonus offered to first-time applicants to The Surrogacy Experience
- Signing bonus of \$1,500 will be divided into two milestone payments:
 - \$500 paid once the applicant has successfully completed the agency's pre-screening process;
 - \$1000 paid once the gestational carrier has been matched with intended parents, and legal contracts have been signed
- Applicants are required to sign an Exclusivity Agreement with The Surrogacy Experience
- Signing Bonus will be offered until January 31, 2022

While surrogacy may or may not be in your future, our **REFERRAL PROGRAM** is another way for you to help. At TSE we have so many potential parents waiting to begin their path to parenthood. Please share our information and encourage others to investigate if surrogacy is right for them by visiting www.thesurrogacyexperience.com.
